

March 12, 2020

Dear Friends of PBSCF,

After careful consideration, the Board of Directors has decided to cancel all of our regularly scheduled initiatives during the month of March. The health and well-being of our participants and guests of PBSCF is our primary concern and we are closely following the CDC and WHO response to the Coronavirus (COVID-19).

We join with many other nonprofits, schools, human services agencies, businesses and government organizations in doing what we can to slow the spread of COVID-19. To protect your health and the health of others, the WHO recommends that you:

- Wash your hands frequently with soap and water or an alcohol-based hand sanitizer
- Maintain a social distance of at least 3 feet between yourself and anyone coughing or sneezing
- Avoid touching your eyes, nose, and mouth
- Cover your mouth and nose with a tissue or bent elbow when you cough or sneeze
- Seek medical care early if you have fever, cough and difficulty breathing
- Stay at home if you are feeling unwell.

For more information, visit www.who.int or www.cdc.gov. The CDC is updating its website often with the latest information and advice for the public.

Please visit our website, www.pbscommunityfoundation.org, for our latest updates on the Events Calendar and follow us on social media.

Please feel free to contact us at info@pbscommunityfoundation.org if you have any questions. Most importantly, stay healthy!

Best regards,

Ruth-Ann Hartney, MS, CAS
Executive Director
Positive Behavior Support Community Foundation
